

Supporting the New Zealand Electrical Industry since 1924.

Two fantastic industry events that should not be missed.

ELECTRICAL ENGINEERS ASSOCIATION (EEA) CONFERENCE 2022 – Delivering a Net Zero Carbon Energy Future

Claudlands Hamilton Exhibition & Conference Centre
19th – 21st September

There is no better event than the EEA2022 conference to grow your knowledge and understanding of the future of our industry. As the power industry’s largest collaborative forum in New Zealand, the EEA Conference serves to nurture and grow our industry capability and prepare the next generation of engineering and safety leaders, innovators, influencers, and change-makers to ensure Aotearoa’s energy future. As interested, curious and enthusiastic members of the electricity supply community you simply cannot miss it!

Be sure to visit New Zealand Insulators at Exhibit stand #52 & #53

ANNUAL CONNECTION 2022 – Showcase and Promote the Electricity Supply Industry

Showgrounds and Event Park, Levin
27th – 29th September

Annual Connection 2022 is a unique three-day event, bringing together cable jointers, line mechanics and industry stakeholders from across New Zealand. The event consists of competitions, a supplier’s expo, and closes with the Connexis Excellence Awards.

Be sure to visit New Zealand Insulators at site #25

The open collaboration and support provided to New Zealand Insulators is fantastic, this helps us support these type of industry events.
